SHELDON ROSS & HAROLD WOLFORD**

Entries open to any Ohio resident. Check in will be in the Arts & Crafts building from 2:00 P.M. – 8:00 P.M., Friday, September 12, 2008. No early entries will be accepted. **ALL EXHIBITS IN THIS DIVISION MUST BE CHECKED IN BY FRIDAY, SEPTEMBER 12, 2008 AT 8:00 P.M.** Judging will be the first Saturday at 10:00 A.M. Exhibitors are encouraged to be present during judging. Awards will be presented at 2:00 P.M. Judges will be available for individual questions and answers after judging. All precautions will be taken to protect exhibits, but management will not be responsible for lost or damaged items. Exhibits will be released the last Saturday at 7:00 P.M. and Sunday from 1:00 P.M. - 4:00 P.M. Exhibits may not be removed prior to release. Anything left will be taken to the Fair Office and disposed of after two weeks if not claimed.

This is a family oriented show and fair, any entry deemed inappropriate for this show by either department head of this department will be refused entry into the show.

**All exhibits must be the original work of the exhibitor.** Any exhibit that has received any award at the Delaware County Fair in any previous year may not be entered. All exhibits must be ready to hang securely from a hook or hooks. Please check the integrity of your method of hanging prior to submission as any exhibit that does not meet the criteria will be rejected and not judged. Any exhibit that falls during display due to poor hanging structure on the frame will not be re-hung.

Exhibits that are not paintings on mounted hangable canvas or are sculptures must be framed. Names and/or copyrights on exhibits must be masked so as not to display. Presentation is an integral part of the project and part of the judging criteria. If there are less than three entries in a class (except for Professional Photography); the entries in that class will be paid the 3<sup>rd</sup> and 4<sup>th</sup> place premiums.

**All sections except for Section D and I are for amateurs only! First and foremost, this is an amateur show, the professional sections have been added as a courtesy.**

**Photographers, painters, or sculptors that teach, judge, sell, or participate in a private or professional show or other like activity for monetary gain must enter in the Professional Photography or Professional Art sections only for entries that are related to their profession. For example: A professional photographer that paints or draws for pleasure only, may enter those type of entries in the amateur sections; the same holds true for the other professions. Note that there is currently no professional class for graphic art, and therefore will not be accepted. The integrity and ethics of the professional should preclude them from competing against amateurs. Any exhibitor that receives a placing in an amateur section will be checked to insure they are an amateur. An exhibitor deemed to be professional that shows in an amateur section will lose their placing, premium, and not be allowed to exhibit in any section in this department for two years. If you have to ask if you are a professional, you probably are.**

**All entries are 10% of first place.**
