Youth

These sections are for youth ages 8 through 13. The age is based on your age as of January 1 of this year. If you are 7 years old January 1 but will turn 8 prior to the fair, you still may not enter in the youth. If you are 13 years old January 1 but turn 14 prior to the fair, you still may enter in the youth. If you are in 4-H, you may enter a copy of the same entry you enter in the Junior Fair.

Amateur

These sections are for ages 14 or older as of January 1 of this year. These people do not teach, sell for profit, or participate in private or public shows or other like activities for monetary gain. An amateur that wins Best Amateur Trophy in this show, must enter in at least the Advanced in subsequent years. Any exhibitor that receives a placing in an amateur section will be checked to insure they are an amateur. An exhibitor deemed to be advanced or professional that shows in an amateur section in that area will lose their placing, premium, and not be allowed to exhibit in any section in this department for two years. Any exhibitor that has ever entered as a professional may not enter as an amateur in any section even though they may enter as advanced.

Advanced/ Professional

Photographers, painters, artist that sell, or participate in private or professionals show or other like activity for monetary gain must enter in the Advanced Photography or Advanced Art. For example: An advanced photographer that paints or draws for pleasure only, may enter those type of entries in the amateur sections; the same holds true for the other professions. The integrity and ethics of the advanced should preclude them from competing against amateurs. An advanced photographer or artist may enter as a professional if they wish and would not be required to continue to enter as a professional. You may not enter advanced and professional in the same year.

Photography Types

Photos may be digitally enhanced (brightness, contrast, color saturation, tint, hue, HDR) but not altered. If altered, it is no longer a photograph, but art.

Monochrome may be black & white, sepia, or any other singular color using many shades.

All photos classes are under the exhibitor's digression. There is no right or wrong class description.

All entry fees are 10% of the first place premium.
