# Personal Electric Mobility Device Policy

To promote the safety of all guests, exhibitors, vendors, participants, volunteers, and staff, the use of personal electric mobility devices is prohibited on the fairgrounds.

The following devices are not permitted on the fairgrounds:

- Electric bicycles (e-bikes)
- Electric scooters
- Hoverboards
- Electric skateboards
- One-wheel devices
- Motorized balance boards
- Any other battery-powered recreational personal transportation device

This prohibition applies to all roads, sidewalks, parking areas, barns, buildings, campsites, and other areas of the fairgrounds unless specifically authorized by Fair Management for operational or event purposes.

This policy does **not** apply to mobility devices used by individuals with disabilities, including powered wheelchairs and mobility scooters, or to authorized vehicles used by Fair Manager, employees, emergency personnel, law enforcement, or others approved by Fair Manager in the course of their official duties.

Any person found operating a prohibited device may be required to remove the device from the fairgrounds immediately. Failure to comply with this policy or with directions from Fair Management, security personnel, or law enforcement may result in removal from the premises and/or other appropriate action.

Fair Management reserves the right to enforce this policy as necessary to maintain a safe environment for all visitors.
